BRIDAL COUTURE

APPOINTMENT PREPARATION GUIDE

HAPPILY EVER AFTER STARTS
WITH A FABULOUS DRESS...

THANKS FOR INCLUDING US
IN YOUR LOVE STORY!

**NOW THAT YOU'VE FOUND THE ONE,
WE WANT TO HELP YOU FIND THE
DRESS OF YOUR DREAMS!**

At The Dresser, we have access to some of the most exclusive gowns from today's top designers.

We are confident that you will love our fabulous designers as much as we do!

We understand that no two brides are the same. That's why we carefully hand select each of our dresses so that each of our brides can find a one-of-a-kind gown that perfectly encompasses their personal style.

Give us a call, or shoot us an email, to find out if we carry a specific gown you want to try on from one of our designers.

We can't wait to meet you!

LIMIT YOUR ENTOURAGE...

Trust us on this one. Select a couple of your closest friends or family members to support, advise, and encourage you with your search for your perfect gown. Bringing along a smaller group will allow you to focus on finding the perfect dress for you. We recommend that you to bring along 1-3 guests to our cozy boutique. However, if you would like to bring more additional guests, please let us know so we can be sure to accommodate your group!

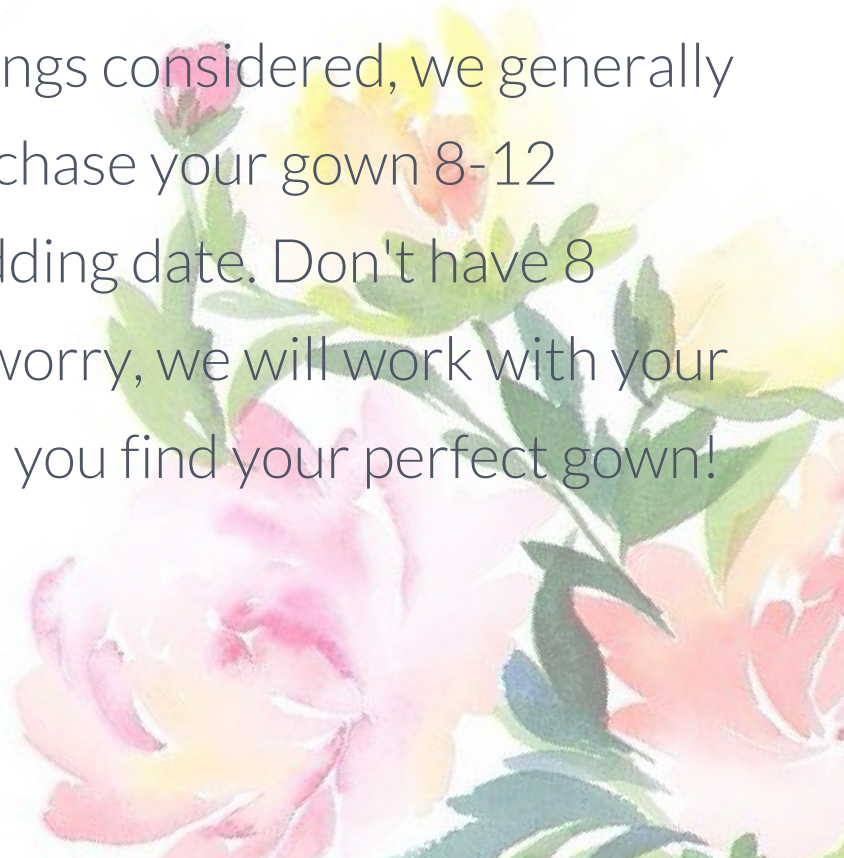

BUDGET IS KEY...

Your wedding gown is an important aspect of your overall wedding budget. Accessories, alterations, as well as designer customizations are something to think about as you set your gown budget. At the Dresser, alterations are not included in the price of the gown. Once you find your perfect dress, your bridal consultant will be able to give you an estimate for our in house alterations.

TIMING IS EVERYTHING...

As exciting as it is finding the perfect dress for you, its important to keep timing in mind. On average, dresses take 3-6 months to ship. We also suggest that brides factor in 6-8 weeks for alteration appointments and other adjustments. All things considered, we generally recommend that you purchase your gown 8-12 months prior to your wedding date. Don't have 8 months to shop? Not to worry, we will work with your unique timeframe to help you find your perfect gown!
